Inputs on ward delimitation 2021 (Local Government Election)

As the council of the Kareeberg Municipality we had a visual meeting with MDB on the 15 July 2020 where they presented the issue of ward delimitation in preparation of the 2021 Local Government Election.

In the interest of providing an equal opportunity to all community members to participate meaningfully to determine their own wards, we urge them to submit written submissions by email to registry@demarcation.org.za.

Due to Covid 19 we won't be able to hold public meetings but ward delimitation information such as draft maps and submission forms are available at the municipality and on the MDB website www.demarcation.org.za or on request by calling the MDB on 012 342 2481 for assistance on any query related to ward delimitation.

You can have your say by logging on to www.demarcation.org.za and follow the instruction on the page – deadline for inputs is 31 July 2020.

- When a member of the public or municipality and/or its stakeholders agree with the proposed wards, submit form **MDB1**.
- When a member of the public or municipality and/or its stakeholders agree with the proposed wards, submit form **MDB2**.

These forms must reach the demarcation board no later than 31 July 2020 either via email to or by fax 012 342 2480.

All inputs will be considered before the MDB publishes ward boundaries in provincial Gazettes for objections. Objections must be submitted 14 days after publication of the proposed wards.
