FINAL

4. CONSTITUTIONAL AND LEGAL FRAMEWORK

The Municipal Property Rates Act, 2004 forms the legal basis of this policy. However, the following additional legal references were observed during the compilation of this policy:-

- Municipal Finance Management Act, 2003;
- Municipal Systems Act, 2000;
- Municipal Property Rates Policy, as reviewed annually;
- Rates By-law and
- Constitution of the Republic of South Africa, 1996 as amended.

5. EFFECTIVE DATE

The policy will take effect on 01 July 2019

6. POLICY PRINCIPLES

- 6.1 Apart from meeting legislative requirements, this policy also emanates from the objectives determined in Council's Tariff policy.
- 6.2 The levying of rates on a property is an exclusive right of the Municipality which will be exercised:-
- 6.2.1 optimally and comprehensively within the Municipality; and
- 6.2.2 with consideration of the total revenue source of the Municipality.
- 6.3 The rating of properties will be done independently, justly, equitably and without prejudice and this principle will also be applied with the determination of criteria for exemptions, reductions and rebates as provided for in section 15 of the Act.
- 6.4 The levying of property rates must be implemented in such a way that,
- 6.4.1 it is aimed at development;
- 6.4.2 it promotes sustainable local government by providing a stable and constant revenue source within the discretionary control of the Municipality; and
- 6.4.3 it promotes economic, social and local development.
- 6.5 Property rates will be levied to: -
- 6.5.1 correct the imbalances of the past; and

- 6.5.2 minimise the effect of rates on the indigent.
- 6.6 The market value of a property serves as basis for the calculation of property rates.
- 6.7 The rate tariff will be based on the value of all rateable properties, as per general valuation roll 2018 and supplementary valuation rolls applicable, and the amount the Municipality needs to fund community and subsidised services, after taking into account any possible surplus generated from trading and economic services and the amounts required to finance exemptions, rebates and reductions of rate, as approved by council from time to time.
- 6.8 Trade and economic services will be financially ring fenced and tariffs and service charges will as far as possible be calculated in such a way that the revenue generated covers the cost of the services or generate a surplus.
- 6.9 The provision for operating capital and bad debt must be related to community and subsidised services and must not include any provisions in respect of trade and economic services.
- 6.10 Property rates will be used to finance institutional functions, community and infrastructural services
- 6.11 Surpluses from trade and economic services may be used to subsidise community and subsidised services.
- 6.12 The revenue basis of the Municipality will be optimally protected by limiting the exemptions, rebates and reductions.
